

Overview

Wire tightener (for retightening) - PU = 100 pcs

Product number: 25250061

Options

PU (Pcs)

1

100

Description

This wire tensioner is due to its removable tensioning drum for the subsequent tightening of already installed wires and ropes. So do not have to be time consuming uninstalled and installed to loose wires and ropes.

The tensioning drum can be used without installation effort into the case.

Material: galvanized steel
