

Overview

Screenprofile III - L = 6,40 m - item

Product number: 37003640

Options

PU

Bunch

loose

Description

This aluminium profile is used to move shade cloth in lay-flat shading systems and is perfect for carrying heavy loads. In special cases the profile can be applicable for suspended energy screens. It is equipped with two receptacles for rubber seals. This enables a flexible mounting.

The upper edge of this screen profile is very stable, that ensures a high rigidity during heavy loads.

Material: aluminium
